REMARKS

Summary of Office Action:

The specification has been amended to update the cross-reference to related applications. Claims 1-76 have previously been canceled. Claims 77-85 and 148 have previously been withdrawn from consideration in light of the October 15, 2004 restriction Requirement in this case. Claims 86-147 and 149-226 are currently pending in the above-identified patent application. Claims 86-96, 109-116, 121-137, 149-170, and 194-215 have also been withdrawn from consideration. Claims 102-108, 117-120, 138-147, 183-193, and 216-226 are allowed.

This application is in condition for allowance except for the formal matters pertaining to canceling claims 77-101, 109-116, 121-137, 148-182, and 194-215 and with respect to the specification's cross-reference to related applications.

Summary of Applicant's Amendments

Applicant has amended the specification, amended FIGS. 11b, 13b, 24, 29g, 29l, and 29m, cancelled claims 77-101, 109-116, 121-137, 148-182, and 194-215, and amended claims 138, 190, 192, 223, and 225, to bring the application in condition for allowance. No new matter was added by the amendments to the specification, claims, or drawings.

Applicant's Reply to the Restriction Requirement

The Examiner indicated that "this application is in condition for allowance except for the presence of claims . . . directed to inventions of non-elected claims or dependent of non-elected claims with traverse" (Office Action, page 3). Particularly, the Examiner indicated that non-

Application No. 10/766,629
Amendment dated August 10, 2005
Reply to Office Action of July 21, 2005

elected claims 86-101, 109-116, 121-137, 148-182, and 194-215 should be canceled.

Applicant notes with appreciation the allowance of claims 102-108, 117-120, 138-147, 183-193, and 216-226. Applicant hereby cancels claims 77-101, 109-116, 121-137, 148-182, and 194-215 with traverse. Accordingly, applicant respectfully submits that the application is in condition for allowance.

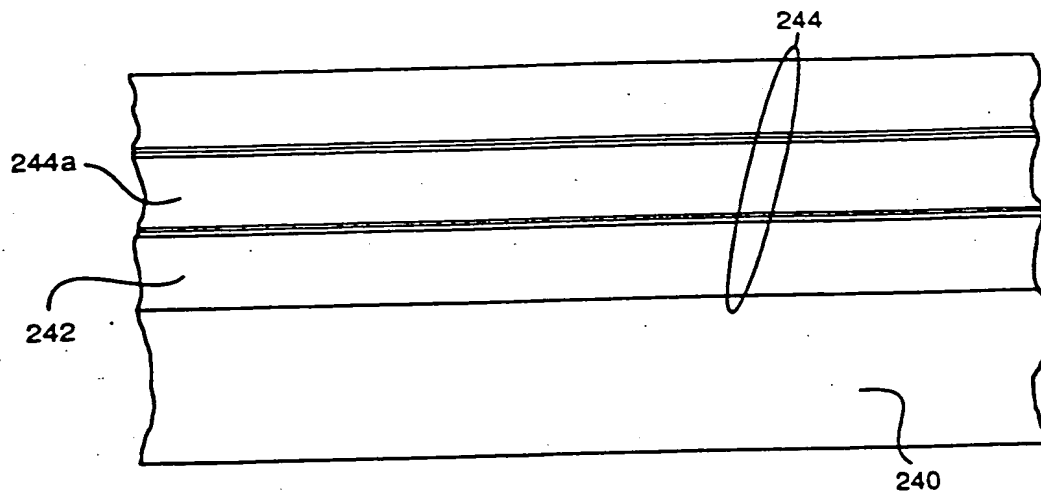

Applicant respectfully reserves the right to pursue the subject matter of the canceled claims in one or more subsequent continuing applications that claim priority and benefit from this application.

An early and favorable action is respectfully requested.

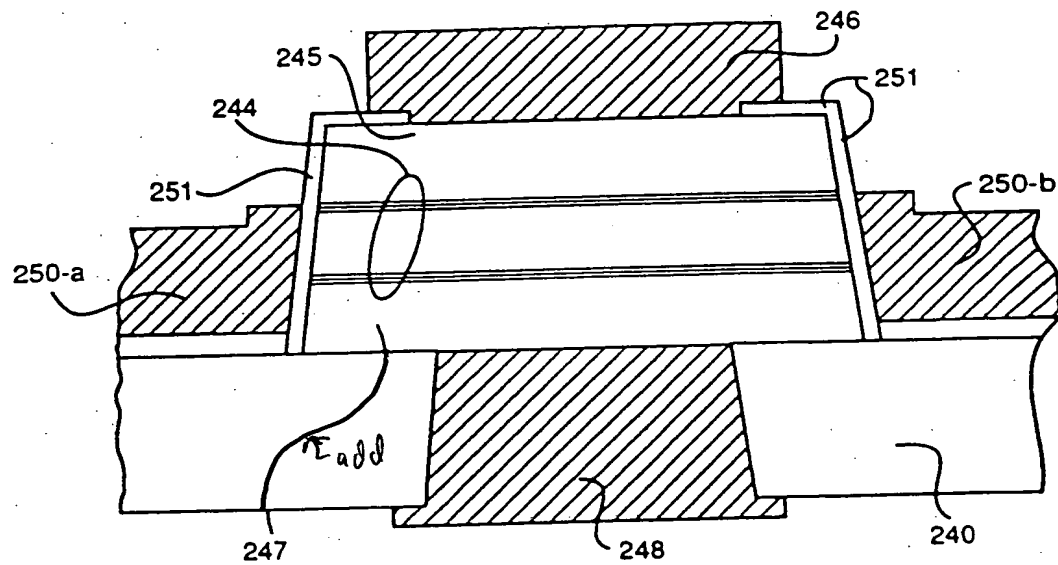

Respectfully submitted,
